\*Elders elected to preside in absence of a bishop.

In 1844 the great division occurred, and in 1845 the Methodist Episcopal Church, South, was organized. Continuous activity in Holston Conference, Methodist Episcopal Church, was abandoned until the close of the Civil War. In 1865 the Holston Conference was re-organized at Athens, Tenn., under the Presidency of Bishop David W. Clark.

JAMES M. NEWTON.

Rev. James M. Newton was born April 14, 1838, in Sullivan County, Tenn. He died October 4, 1918, in Gate City, Va., after having made his home with his daughter, Mrs. Goldia Reed, for several years, aged 80 years, 4 months and 20 days. He grew to manhood at Kingsport, Tenn. He was happily united in marriage to Miss Elizabeth Galloway of Sullivan County, December 16, 1858. His faithful companion preceded him to their heavenly home only three days. When the Civil War began Bro. Newton was enlisted in the 64th Virginia Regiment. He spent four years of his young vigorous life in the war. After the war he removed to Scott County, Va., where he invested in a little home, near Gate City, for the comfort of his family while he traveled continuously preaching the gospel, first in the Methodist Episcopal Church, South, then in the Methodist Episcopal Church, which became his choice in the early eighties. His relations with the Conference of the M. E. Church began in 1881, when he was received on trial in the Virginia Conference. He was received into full connection in 1884, ordained deacon by Bishop Wiley, 1883; ordained elder by Bishop Mallalieu, 1888. In the above-named conference he served as follows: Scott Circuit, 5 years; Russell Circuit, 4 years; Abingdon Circuit, 3 years; Mendota Circuit, 3 years; Three Forks, 1 year; Abingdon, 1 year; Nickelsville, 3 years; Greendale, 1 year; transferred to Holston Conference —; retired, 1906. Three score and one years hold a history filled with privations, hardships and persecutions, which only the warrior who experienced them could truly relate. He had in most cases entire counties as circuits. He was esteemed as a deep and profound preacher of the unsearchable riches of the Gospel. Bro. Newton was converted at about ten years of age in an old log school house near the place of his natural birth. He was a man of sentiment and convictions with a will power and ability to use his well-stocked mind of information against his opponent, and he often engaged with them on questions of Christian doctrines always to convince his audiences on his points. He put on the whole armor of God, having his feet shod with the preparation of the gospel, and fought as a good soldier of Jesus Christ. Hence, we believe there was laid up for him a crown of righteousness and that he has entered into the reward of the faithful. It deserves to be said that Bro. Newton had a great part in organizing and laying the foundation for the Methodist Church in this part of southwestern Virginia. He is no more among us but his works do follow him, and his name is known and his

memory revered by his many converts and followers over all this country where he has traveled. During the last year of his life his mind was shattered. He failed very rapidly after he began to decline with age. Some three years ago he was quite active for a man of his summers. Although his wife preceded him three days he was conscious of her departure for only a few hours. He had prayed often that they, who had borne the burdens of life so faithfully together, should enter into the valley of the shadow of death side by side to awake into life's eternal day together. So their entrance into the home of the faithful was not marked by many hours between. There were born to Bro. and Sister Newton ten children, only three of whom survive their parents. The children living are, William G. and Ezekiel K. Newton, of near Gate City, and Mrs. Goldia M. Reed, the wife of Rufus Reed, at whose home the aged parents died. The deceased were, Emily J., Georgeana P., James C., Francis E., Joseph M. and Henry H. Newton, and Mrs. Belle Lane. The funeral service was conducted by his pastor, the writer, assisted by Rev. Robert Penley, a local preacher of the Gate City charge, and a warm friend and co-laborer of the deceased for fifty years. The body of Rev. Newton was laid to rest in the Newton burying ground three miles northwest of Gate City.

"Servant of God, well done!

The glorious warfare's past.

The battle's fought, the race is won,

And thou art crowned at last."

### MRS. ELIZABETH H. NEWTON.

Life's shadows met eternity's day with Sister Newton October 1, 1918. Mrs. Elizabeth H. Newton was born July 11, 1840, in Sullivan County, Tenn. Her maiden name was Galloway, reared by honorable and upright parents. On December 16, 1858, she was united in marriage to James M. Newton of her home county. Three years later her husband entered the Civil War. It was during those four years she began to learn the lessons of sacrifice, toil, hardships and economy which characterized her entire life. Not many years after the war her husband devoted his life to the ministry, and soon became an itinerant preacher of the Methodist Episcopal Church. Sister Newton was the mother of ten children. The responsibility of this large family rested largely upon her. Having a little home with a few acres of land to cultivate and a cow provided the principal support of the family. In those days from \$50.00 to \$125.00 per year was the pittance contributed for the pastor's labors. What was received in this way was brought home to the family. Sister Newton liked to have plenty. She gave herself to arduous toils and strict economy that she might have

plenty and some to spare. She visited the sick, helped the needy and was kind to everyone. Her home was the preachers' home. She took great pleasure in cooking for them and entertaining them. She became a Christian early in life and lived a consistent, devoted Christian life to the very last. In patience she possessed her soul. God's grace was always sufficient for her. The faith she lived by sustained her through her last trying illness. She suffered intensely the last three years of her life. She was confined to her bed a year before death released her. For several weeks preceding her death she was delirious. But strange to say it all seemed like worship, being sanctified by her patient, resigned and godly life. Too much could hardly be said in praise of Sister Newton. May her memory be cherished long and her faithful life be emulated. Funeral services were conducted by the pastor at the cemetery and her dust rests in the family burying ground near the old "Newton" home three miles northwest of Gate City. Heaven's eternal year is thine."

#### MRS. MINNIE GOODMAN.

Mrs. Minnie Goodman was born May 11th, 1873, departed this life Jan. 11, 1918. She was married to Thos. E. Goodman, Dec. 28, 1891. To this union seven children were born. One boy and one girl died in early childhood. Mrs. Maud C. Horton, of Unicoi; Mrs. Bessie L. Mitchell, of Greeneville; James M., Mabel A., and Dovie E., still at home, together with the husband, are left to mourn their loss of a loving mother and faithful wife. She was converted in 1893 and immediately joined the church and faithfully performed all Christian duties in keeping with her physical health, such as attending public worship and the prayer services and directing her children in the ways of right, while her husband was out in the field preaching the gospel. She was a dear lover of good literature and never failed to read the church paper. Mrs. Goodman had been in poor health for seven years and for the past two years had been almost past going about the house, notwithstanding her affliction she bore up patiently, until He who watches over us in all our works and way, said, "It is enough." Death's raging winds gathered 'round her and blew to her western gate of life that the Nazarene might open the gates of her perpetual morning. She did her part the best she could in the place where she was to make this world a little brighter and a better place in which to live. Her funeral was conducted by the writer at Asbury Memorial Church, Greeneville, and she was laid to rest in the Oak Grove Cemetery.

## MRS. W. S. GRANT

Mrs. Nannie K. Grant, formerly Miss Childress, was born at Well Springs, Tennessee, August 18, 1871, was married to the Rev. Wayne S. Grant, January 1, 1890, and after an illness of a year's duration, was translated to her heavenly home on February 21, 1918. She was the mother of six children, three of whom survive, three having gone before to the glory land.

She was educated at Powell's Seminary and possessed more than ordinary refinement and culture, and was the embodiment of many Christian and womanly virtues.

As wife and companion to Bro. Grant, she was always true, devoted, kind and faithful, and the kind of woman Solomon had in mind when he said: "The heart of her husband doth safely trust in her; she will do him good and not evil all the days of her life. Give her of the fruit of her hands; and let her own works praise her in the gates." She was ever a source of happiness and inspiration to her husband, and held up and strengthened his heart and hands in his hard tasks for more than a quarter of a century.

As a mother, the writer never saw one more fond of her children, nor one more interested in their religious training and spiritual well-being. Truly her children "Arise up and call her blessed." It has been said that, "A mother's business is to interpret God to her children by giving them such experience of maternal comfortings as shall help them to comprehend how deep and rich and dear a thing God means in that tenderest promise given to His earthly children, 'As one his mother comforteth, so will I comfort you'." Verily, Mrs. Grant exemplified this noble trait among her children every day of her life.

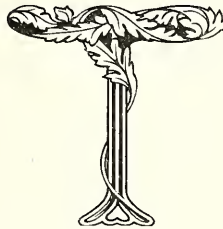

The writer knew her several years as friend and neighbor, and was her pastor two years at Bristol, Tenn. In the work of gathering a congregation and building a church there, she was a constant encouragement. We visited her in her last illness, and although a great sufferer, and having been only a short time before deeply grieved over the death of a son whose funeral she was not able to attend, she did not complain, but seemed to be saying always, "Thy will be done." She was indeed a noble Christian woman and consistent member of the Methodist Church she loved so well. We shall surely hope to see her again in that glorious land beyond the shadows and the tears, for

"We may hope with an undying hope  
Since He who knows our need is just,  
That somewhere, somehow, meet we must.  
Alas for him who never sees  
The stars shine through his cypress trees;  
Who hopeless lays his dead away,  
Nor looks to see the breaking day  
Across the mournful marble play:

Who hath not learned in hours of faith  
The truth to sight and sense unknown,  
That life is ever lord of death,  
And love can never lose its own."

WM. F. PITTS.

1. The work of the Board is divided into six groups. Admission on trial; first, second, third and fourth years, and Local Orders. Each group to be in the hands of a committee—one of the committeemen to be chairman of the committee.

2. Mid-year examinations are required; time and place to be arranged and announced.

3. The day preceding the opening of the Annual Conference is the time appointed for examination.

4. The candidates are urged to buy their books at the very opening of the year, and study carefully the mid-year subjects, and after the mid-year examinations make complete survey of the remaining subjects immediately. The examiners are required to correspond with the candidates in the early winter, preparatory to mid-year examinations.

5. The requirements of the Discipline are to make the examinations written if practicable, and two weeks ahead of the Annual Conference to send written questions to the Chairman of the Board.

6. The chairman of each group is to submit in writing the grades of the candidates in his department to the registrar.

7. The provision for the mid-year examinations does not deprive any candidate of the opportunity of being examined on any subject at the time appointed for the examination at the Annual Conference.

8. The Board of Examiners, together with the candidates, are called to meet at the place of next Annual Conference session the night previous to the day of Conference examination.

# REPORTS

---

## BRISTOL DISTRICT

M. H. Rambo, District Superintendent

In presenting this, my first Annual Report of the Bristol District, I desire first of all to acknowledge my profound gratitude to God for Divine favor, and to both pastors and people for their hearty co-operation throughout the year. It has been a privilege and an inspiration to labor among a people so devoted to the cause of the Master. We desire to call attention briefly to some of the results attained during the year. Much of the harvest which has been reaped is due to the labors of others who toiled for the Kingdom in the past.

Upon coming to the District we found it well provided with pastors, all of whom received me with the greatest cordiality. The appointments, with one exception, remained as announced at the close of the Annual Conference. Brother J. N. Graham did not take up the work at Wise, but without any notice to us withdrew from our ranks, and accepted work with the Methodist Episcopal Church, South. We at once secured, as we thought, the services of the Rev. E. Grant Hutchinson for this charge, but owing to difficulties which he could not foresee, his coming was so long delayed that we felt constrained to find another to take his place. The first half of the year had elapsed before we secured the services of Rev. H. G. Byrd for this difficult field. Brother Byrd is a young man of much promise, and will appear at this session of the Annual Conference for admission on trial. His report will show that he has done fine work for the time he has been in charge.

The material progress of the District has been gratifying. From the very outset we found a disposition upon the part of the people to increase pastoral support, and in keeping with this spirit, the claim for ministerial support was advanced an average of 24 per cent. over last year. We are not sure that all these claims will be met, yet some will show that they were overpaid. We think the report on benevolences will show a corresponding increase.

The subject of tithing is being discussed in many places in the District, and a preliminary canvass reveals that there are fifty or more who regularly give the tenth of their income. In view of the campaign for tithers that is to come in connection with the great Centenary movement, this augurs well for our District.

There have been sundry improvements in church and parsonage property, amounting, in toto, to more than \$10,000. Chief among these are the following: Clinch Valley charge has improved the par-

sonage at Swords Creek to the amount of \$500. Previous to this the house was unfit to live in, and the pastor lived in rented property. As it now stands, it should be rated at not less than \$1,000.

At Nicklesville an additional lot has been purchased for the parsonage at a cost of four hundred dollars, making this one of the most attractive places in the District.

The pastor and people of the Marion charge have purchased a parsonage in the town of Marion, the purchase price being \$900. They purpose to add improvements to the amount of \$300. This will put the house in good repair.

A splendid eight-room house has been bargained for in Bristol, Tenn., for a District parsonage. This was done by order of the District Conference held at Mt. Mitchell Church on the Wytheville charge during the month of July. The purchase price of this property is \$4,150.00. Competent judges estimate the real value to be not less than \$5,000. It is located only three blocks from our church, and is on Windsor Avenue, one of the best streets in Bristol. The house will be vacated by the former owner, and will be ready for occupancy by the District Superintendent November 1st.

It is cause for gratitude that our new church at Radford has been dedicated free from debt. This was accomplished on the 8th day of September, under the inspiration of a great sermon preached by Bishop Bristol, when a debt of \$1,200 was swept off the slate in a few minutes, notwithstanding the inclement day and a small congregation for such an occasion. Much of the credit for this victory, however, should be attributed to the careful preparation of the pastor, the Rev. H. E. Sumner, and his loyal people.

At Lowland, on the Glenford charge, we have a new building ready for dedication. This would have been already accomplished had it not been for a delay in receiving some of the material which had been ordered. The value of this structure will be about \$1,500.

The new church at Mt. Moriah, on the Fries charge, is nearing completion, and should be ready for dedication in the near future. We are not apprised of the value of this property.

At Bold Camp on the Wise charge the pastor has succeeded in getting a church completed which had been under construction for three or four years.

Bristol Church will report as much as \$2,000 paid on old indebtedness, and subscriptions to cover the remainder of the church debt have been secured.

A survey of the Sunday School work reveals a large increase in enrollment. There are 115 Sunday Schools, with a total enrollment of 9,080. This represents a gain of about 800 over last year.

This has been a year of splendid results from revival efforts by the pastors. As reported to me, there have been 906 conversions, with 554 accessions to the Church. To add to this there will be 225 members to report from the White Top Mission, of which no account is

taken in last year's Minutes. This would make a total increase of 779, considering that there were no defections.

We have nine Epworth Leagues on the District, two of them having been organized this year. These Leagues are doing fairly aggressive work. We are hoping, that since a District organization has been effected, there will come a new impetus to the work among our young people. There are three or four Junior Leagues also that are doing good work.

A District organization of the Woman's Home Missionary Society was effected at the District Conference, and plans were laid for a campaign of organization on the District. We have only a few societies at present, and the Woman's Foreign Missionary Society is not represented.

District Conference was held at Mt. Mitchell Church on the Wytheville charge during the last week in July. It was well attended, all but four of the regular pastors being present. The session was enlivened by the presence and addresses of the following named brethren: Rev. J. M. Melear, editor of the Methodist Advocate Journal; Dr. Sherman Powell, representing the Centenary; Dean Robb, of the Athens School; and Prof. S. H. Thompson, and E. M. Rupe, two of our leading laymen of the Bristol District. These brethren all rendered valuable service, and assisted greatly in making the occasion a success.

There are now a large number of Methodists in this territory who are subscribers to the Methodist Advocate Journal. We consider this paper one of the most valuable assets to our work. We are not able to report the exact number of subscribers, but we are convinced that our District will compare favorably in this respect to the other districts of the Conference.

There are three mission charges under our supervision. These have all been visited one or more times during the year, and can report that two of them are now entitled to become regular charges. These are Saltville and White Top. Buchanan Mission should be kept as such, in the hope that the Centenary movement will later include such places in its program. This is truly a mission field.

Death has invaded the ranks of our retired preachers by the taking from us the Rev. J. M. Newton; and three days previous to his departure his wife's death occurred. These were good people, and were revered by the people among whom they had labored.

The death angel also recently visited the home of Rev. and Mrs. G. T. Byrd, bringing sorrow by taking from them little three-year-old Marjorie.

It has been my constant concern during the year to attend to every duty faithfully. I have preached 312 times, and held 97 quarterly conferences, and have traveled approximately 8,000 miles. We have done our work in the fear and favor of God, and to Him we give all the praise.

## CHATTANOOGA DISTRICT

J. A. Mitchell, District Superintendent

"By their fruits ye shall know them." Measured by this standard the Chattanooga District is fruitful to the extent of enjoying a goodly measure of Divine commendation, and contributes to a greater or less degree toward the development of the purposes of the gospel of Jesus Christ.

While we have not done our best, yet the Church has grown in faith and power, formalities have given place to the unction and fervor of a genuine spiritual life, and thus the tabernacles of God have been made amiable and attractive, not alone to the membership, but to the multitude of the unsaved as well.

Pastors and people have wrought faithfully and well. All sensational and superficial methods have been discountenanced and the Word of God has been preached with power and authority, and as a result many have been saved and added to the Church.

The fidelity of our pastors is seen in that they have supplemented the work of the Sabbath by a systematic pastoral visitation. They have gone into the homes of the people bearing the message of love, and by manifest personal interest have enlisted the attention of multitudes in matters spiritual. May God speed the day when the constraining love of Christ shall cause us to go into the highways and byways in search of dying men, and with the persuasiveness of personal appeal compel them to come into the house of our God.

We leave the faithfully wrought evangelistic work of the year to the fostering care of our Heavenly Father, with the assurance that Christian effort shall not be lost; nor shall it fail of its reward.

**Church Periodicals**—We do not believe that an intelligent grasp of our work as a church, can be obtained save only through a careful study of the field and workers, as given each week through our Church papers, and so we teach, and urge upon our people the necessity of taking our Church papers. Our Advocates are second to none. We do not discriminate unwisely when we say that the Methodist Episcopal Church furnishes each week such an array of facts and figures that it commands the attention and respect of the people everywhere. The successful pastor will put a Church paper in every home on his charge.

**Finances**—Increase in pastors' salary has been made as follows: First Church, \$500; Athens, \$300; Athens Circuit, \$200; Chatata Circuit, \$100; Avondale, \$150; Highland Park, \$300; Manker Memorial, \$100; Ridgedale, \$100; St. James, \$200; Daisy and Red Bank, \$150; Englewood and Tellico Plains, \$200; Etowah, \$200; South Pittsburg, \$120; Soddy, \$60; Coalmont, \$200.

The following charges also gave the District Superintendent an increase in salary: Athens Station, Chatata Circuit, Manker Memorial, Ridgedale, Daisy and Red Bank, Soddy and Coalmont.

The Chattanooga District will maintain this year its splendid record of the past on benevolences, and the tabulated reports of the pastors will show that the District as a whole has made an increase in benevolences for the year.

And under the leadership of Dr. B. M. Martin our field agent of the Preachers' Aid Society, the Chattanooga District subscribed \$14,110 to the Manker Memorial Endowment Fund for the old preachers, and with the \$10,000 given by Mrs. Patten to this fund will make \$24,110 for the District and we expect to do even better than this.

The Coalmont people bought a splendid parsonage the first of the year, for which they paid \$1,000. This gives us a fine property at this place. Coalmont was made a station this year and they are doing a fine work, and they expect to continue their growth. Three years ago we had no property at this place—not a dollar's worth of anything, and but a small membership, and today we have a property well worth \$4,500, and all paid for but \$500, and a membership of about 150.

The Athens parsonage was destroyed by fire last October, but under the efficient leadership of Dr. R. A. Simonds, the pastor, and the hearty co-operation of the splendid official board, and the good people of that church, a fine four thousand dollar parsonage has been erected, and will be ready for the pastor to occupy the coming year.

Other minor improvements have been made on churches and parsonages in the District which will total about \$4,000.

The Chattanooga University and our splendid school at Athens, has had a very prosperous year, and has opened for the new year with fine prospects for another splendid year, notwithstanding the fact that many of our young men have been enlisted in the service of our country. Splendid new buildings have been erected on the campus at Chattanooga which are adequate in every way, and under the splendid leadership of President Hixson. This college has had unparalleled growth and is rapidly becoming one of the great colleges of the country.

Our Sunday Schools and Epworth Leagues are fairly prosperous. We are organizing our Leagues and Sunday Schools for the big drive in the Centenary campaign, in fact the Chattanooga District expects to lead in the Centenary campaign in the Holston Conference, and be the first District to go over the top. The Chattanooga District slogan for the coming year will be, "First over the top."

The light has broken through, the people have the vision, the goal will soon be reached.

"I love thy Kingdom, Lord  
The House of thine abode,

The Church our blest Redeemer saved,  
With his own precious blood."

"For her my tears shall fall;  
For her my prayers ascend;  
To her my cares and toils be given;  
Till toils and cares shall end."

I have tried to do my best for God and his cause on the District this year. And I desire here to express my gratitude to God for his kindnesses and mercy to me. The pastors and the people have all been good to me, and have manifested a willingness to help in every way at all times, for which I thank God.

May God richly bless the faithful pastors and people of the Chattanooga District.

### HARRIMAN DISTRICT

#### L. D. Hamil, District Superintendent

It affords me real pleasure to report the good work done on the Harriman District this Conference year. This district is composed of 28 pastoral charges, 120 preaching places having 94 Sunday Schools. A brief summary of pastoral labor shows, 64 sermons preached to children, 26 children and 80 adults baptized, 76 funerals conducted, 46 marriages solemnized, and a sum total of 9,902 pastoral visits. This summary is up to the fourth quarterly Conference. Pastoral reports will show a larger summary.

The pastors for the most part, have worked hard, and tried to bring things to pass. This as we all know, has been an unusual year, and the attention and interest of the people have been attracted and drawn upon in so many different and unusual ways; yet in spite of all this many of our pastors, as their reports will show, have made splendid headway and have accomplished some things for the Kingdom.

**Changes**—A few adjustments had to be made soon after Conference. The Rev. E. M. Pippin, who was appointed to the LaFollette charge, and the Rev. E. M. Boyd, who was appointed to Byington and Scarboro, jointly asked for an exchange of charges. This adjustment was made and has proven quite satisfactory.

In December Brother C. C. Harris, who was appointed to Dayton, was released from Dayton at his own request. Dayton was at once supplied by a student pastor, J. Warren Broyles, from the University of Chattanooga, who has done a most excellent year's work.

**Pastoral Support**—A number of charges increased the pastors' salary this year, and most of them will pay up in full. The District

Superintendent's claim was also increased by a few of the charges at the beginning of the year and a few more over-paid at the close, while two or three fell behind. However, the total will show a larger salary paid to the District Superintendent than any previous year. The same will also be true in regard to pastors' salaries.

**Benevolences**—It has been the aim of the District Superintendent, and the earnest effort of many of the pastors, to increase all the benevolent claims over previous years, and to contribute at least a small amount to each society and board.

**Sunday Schools**—The Sunday Schools attendance will show an increase at two or three places, but on the whole a small decrease on account of the unusual conditions. All of our Sunday Schools are largely represented in the training camps and in France. The same is also true of our Epworth Leagues; and the work of our Leagues has been greatly hindered and handicapped in this way.

**Church Literature**—More Advocate Journals are going into the homes of our people on the Harriman District than ever before, and practically all of our Sunday Schools are furnished with our literature; also a small quantity of our other Advocates and other periodicals are taken.

**Building and Improvements**—Under the leadership of our popular and aggressive pastor at Jellico, the Rev. W. A. Martin, a splendid parsonage and a new church site have been purchased at a cost of \$3,000. Every dollar of this has been paid and a considerable amount already raised for the building of the new church. The new church is to cost \$30,000, and is to be one of the most modern, most beautiful, most convenient, and the most homelike of any church in the city, and is to stand on the corner of Wall Street and Fifth Avenue, right in the center of town, presenting the appearance that the town has grown up around the church, rather than that the church has sought a place in the center of the city.

At LaFollette another parsonage has been added. Our popular and enthusiastic pastor, Rev. E. M. Boyd, has built an excellent five-room bungalow parsonage, right next to the church at a cost of \$1,600. The Rev. J. B. Peters, our pastor at Oneida, is another happy pastor, having had the only church dedicatory service of the year on the district. The church was removed from the old site to a more favorable and convenient section of the city, and while the new edifice was in a large measure constructed out of the old, it presents every appearance of a new church, although it cost only \$1,000. The church was reopened and dedicated the second Sunday in August, by the Rev. J. M. Emert, a former District Superintendent, assisted by the present District Superintendent. Our church at Rockwood has had a phenomenal growth under the three years' pastorate of the Rev. H. E. Little, who

•

has been accepted for over-seas Y. M. C. A. work. Church improvements have from time to time been noted in annual reports from this charge, and now he closes with another \$550 report on church improvements. Many other pastors and charges have improvements reported as follows:

W. O. Duncan, pastor Andersonville, \$240; G. H. Long, Arthur, \$100; T. V. Peters, Burrville, \$35; J. W. Broyles, Dayton, \$450; improvement on Mt. View church, \$450; M. B. Gass, Decatur church, \$40, parsonage, \$18; P. L. Clonce, Graysville church, \$50, parsonage, \$36; Vine Grove, \$190; Luther Clear, Jacksboro, \$75; H. M. Torry, Newcomb, \$120; Samuel Sproles, New Tazewell, \$157; M. H. Monroe, Big Valley, \$778; J. J. Robinette, Harriman, \$300; Cicero Dobbs, Kingston, \$225; S. E. Taylor, Sunbright, paid on parsonage indebtedness, \$189. Total paid on buildings, improvements and indebtedness, \$9,165.

**Personal Labor**—Have held most of my quarterly meetings in person, preached about 300 sermons, made several school addresses, married one couple, preached two funerals, baptized three children, made approximately 1,000 pastoral visits, administered the Sacrament to about 994 people and have traveled approximately 10,310 miles.

## JOHNSON CITY DISTRICT

R. L. Stapleton, District Superintendent

Dear Fathers and Brethren:—

The Johnson City District embraces in its geographical limitations all of eleven counties and parts of two other counties in upper East Tennessee. These boundaries contain a population of about 200,000 souls. The area is largely rural and agricultural, but has also about 20 cities, town and villages. We have among these, four important manufacturing centers, one of which, Kingsport, in Sullivan county, is the coming industrial center of the entire district.

The district as organized when I received the appointment, contained 25 charges with about 135 preaching places.

Many of the charges are entirely too large for the pastors to do their best work for each point, but owing to the meager support it is impractical and impossible to reduce the number of appointments and make new charges at the present time. This, however, is what should be done as soon as may be, if our rural work is to be saved from decay and impotence.

On this district there are nine charges which have seven or more preaching places. We have four station charges, three half stations, and eighteen circuits.

The district as I received it from my predecessor was well manned, and all the pastors have retained their work and cared for all the in-

terests of the charges except two. W. E. O. Robeson, appointed to Roan Mountain Circuit was sick the entire winter, and recovered in the spring of this year, but could not resume the entire work, and took care of the Piney Flats appointment only. I appointed J. L. Dennison for the remainder of the work, but after one round he asked to be relieved, and we have had no regular pastor there since he resigned in the spring. W. R. McNeese was appointed to Unicoi Circuit, but became unable to take full care of the charge during the winter. The wife of Rev. T. E. Goodman, pastor on Limestone charge, after a long illness, passed away during the year.

The most important recent industrial development on the district is in and around Kingsport, in Sullivan county. The Methodist Episcopal Church has had its work organized in this section for over 50 years, and we have now two strong circuits in the county in addition to our growing work in Kingsport itself. Here we ought to have had a good church building years ago, but for some reason we have none, although we have a good class, and have had preaching in the town for many years past. At the last session of our Conference S. G. Ketron was appointed to Kingsport and Fall Branch Circuit, but in the spring the Kingsport class asked for the entire time of Brother Ketron, so at the third quarterly conference I separated the work, giving Brother Ketron Kingsport and Fairfield, and Rev. Horace Ireland, a graduate of Moody Bible School, was appointed to Fall Branch Circuit. Both of these brethren have taken good care of these important interests. The Kingsport charge is growing rapidly, many of our own people from the rural sections round about, and from elsewhere, are making their homes there, and they are asking and expecting the church of their fathers and their own choice to take good care of them and to assist them generously to build an up-to-date church just as soon as circumstances will permit.

One new class has been organized on Rutledge charge, by E. W. Akard, pastor.

All the pastors who have been able to retain their work during the year have done heroic and successful service. They have been at their posts of duty throughout the entire year. They have cared for every interest of the church. They have gone to the appointments through heat and through cold, and have demonstrated that they are men of God who are sincerely concerned for the building of the Kingdom in this section of God's moral vineyard. This year especially they have battled through unusual difficulties. The most available point of appeal of the government for support in the carrying on of the war has been and is through the organized church, and our church in the Johnson City District has responded quickly and nobly to every such call. We have carried our own regular burdens with a considerable increase in financial reports, and in addition did our part in the extra burdens which the whole country has had to assume.

While it has been a very trying year for the churches in many ways, the year has not been without results for the effort put forth. The pastors on the district have reported to me about 600 professions of religion, and about 400 additions to the church.

The reports of the pastors will show more than \$6,000 paid out on old indebtedness and for repairs and improvements. There are two outstanding financial developments in improvements of church property during the year, viz., on the Mosheim charge, J. F. Reed, pastor, the old parsonage property was exchanged for a more commodious house on the main pike leading through the town, and the difference required in the exchange, of \$800 was raised and paid in cash. The old district parsonage at Johnson City was sold for \$3,000 cash, and a new property, modern and up-to-date in every respect, in Carter addition, was purchased by the District Parsonage Trustees, at a cost of \$5,300.

In doing the work of the district for the year, I have traveled about 5,000 miles; have preached 172 times, held 89 quarterly conferences; dedicated one church and raised a \$200 subscription, and have tried to look carefully after the business and spiritual affairs of the district according to the requirements of the discipline.

Our district conference was held during July at Witts Foundry (Watkins Chapel Church), on Morristown Circuit. The meeting was well attended, and spiritual in tone. We held two district camp meetings, one at Sulphur Springs, and the other at Ross Camp Ground. Both of these meetings were well attended and of great spiritual benefit. Bishop R. J. Cooke, formerly a member of Holston Conference, preached a great sermon for us at the Sulphur Springs meeting. Rev. J. M. Melear, editor of the Methodist Advocate Journal, preached with great satisfaction to the people on Sunday of the camp meeting at Ross Camp Ground. Rev. B. M. Martin was on the district during the year at a number of places in the interest of the Preachers' Aid Society, and the people responded liberally for the cause. Bishop F. M. Bristol, our resident bishop, responded to our request, and visited us at the quarterly meeting occasion at Ebenezer on Chuckey Circuit. He preached on Saturday night at Chuckey, and to a large congregation under the oak trees on Sunday morning at Ebenezer. His visit and sermons were very much appreciated by the District Superintendent, pastor, and all the people.

### KNOXVILLE DISTRICT

W. K. Harris, District Superintendent

The Knoxville District began the work of the past year under very encouraging conditions. With few exceptions the preachers seemed pleased with their appointments and the people were pleased with their pastors. Every charge was supplied at the reading of the

appointments last year, and very few pastors were delayed in reaching their appointments; so that the work of the year started promptly. No changes have occurred during the year.

The first round of quarterly conferences resulted in the apportionment of salaries nearly three thousand dollars in advance of last year. These salaries have in nearly all cases been paid in full.

Again we arraign the weather man who brought the most severe winter in our experience on the district work. Early December brought zero weather and storm after storm each more violent than the last, came in regular succession until near the first of March. All work was hindered but especially rural revival and Sunday School work was affected. A number of Sunday Schools were unable to meet and a few disbanded for nearly an entire quarter. This will seriously affect reports of average attendance for the year. The Sunday School work, however, is in a very satisfactory condition throughout the district. Where losses have been heavy, on account of war and its levies, we have stressed efficiency and feel that though we have lost in numbers we have advanced in the quality of the work done.

Perhaps no part of the work has suffered more from the going away of hundreds of our young men than the work of the Epworth League. We have tried to bear these losses with resignation, realizing the great mission to which our boys are called. The faithful few remaining have nobly co-operated with the splendid body of young women of the district to keep the home fires burning.

Ladies' Aid and Missionary Societies have done much in Red Cross and other work pertaining to the war, but have at the same time found time for a fine work in their own special departments and in some cases have record breaking reports.

No new buildings are being erected at any place on the district, but extensive repairs have been undertaken at several places. Logan's Chapel on Little River charge has spent fifteen hundred dollars in remodeling their chapel. Dandridge has made some much needed repairs in the main auditorium and Sunday School rooms. Niota on Loudon charge spent two hundred dollars in a new roof and other needed repairs. First Church, Knoxville, has installed a new lighting system at an expense of more than four hundred dollars.

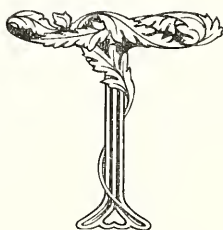

Our resident bishop, F. M. Bristol, did highly effective work in assisting the pastors at Trinity and Whittle Springs in debt-raising campaigns. Near ten thousand was subscribed at Trinity during the year and at Whittle Springs the entire debt except seven hundred and fifty dollars has been paid. This new property is easily worth five thousand dollars.

The final reports of conversions and additions to church membership are not in hand but I am apprehensive that the records on these items will not be as large as in some previous years. Very few charges will report losses, but the net gains are not as large as should be under normal conditions.

Benevolences will, I am sure, be in advance of last year in spite of the fact that our people have been leaders among the purchasers of Liberty Bonds and War Saving Stamps, as well as contributing to Red Cross and Y. M. C. A. and other war work. Dr. B. M. Martin has succeeded beyond our fondest hopes in raising funds for the endowment for the Preachers' Aid Society. The amount already reported from the district is above \$16,500, and I am sure that other recent contributions will come in with the pastor's reports.

Quite a few of our preachers and their families have suffered illness of a more or less serious nature. The saddest of these was the fatal illness of Mrs. W. S. Grant, who passed away at her home in Knoxville on February 21. Two of our widows, Mrs. W. H. Rogers and Mrs. J. R. Hughes, have died during the year. Of all these we may say with Wesley: "Thank God our people die well." Brother J. F. Lynch was rushed to the Knoxville General Hospital on September 11 for an immediate operation for acute appendicitis. He was confined to the hospital for nearly four weeks and is slowly regaining his health at this time.

My own work has been much hindered by personal illness, but God has been good and the brethren have been helpful and considerate. I have tried to do my best as God has given me strength and wisdom. I deeply appreciate the splendid co-operation of every pastor and the good laymen of the district. Some of the pastors have given extra special service during my illness for which I am deeply grateful. My deepest gratitude is to our Heavenly Father for His unstinted love and mercy.

## REPORTS OF COMMITTEES

---

### EPWORTH LEAGUE

'The Epworth League is not the vital force in our Conference that it should be. Many of our churches have chapters organized, some of these are in good condition and doing a much needed work, while others are doing nothing definite.

Efficient leadership is the cry and we believe the Epworth League Institute conducted the past two years is the very thing to give to our young people the vision they need. Therefore, as pastors, let us urge our young people to attend the Institute.

W. L. OLIVER,  
W. C. MARTIN,  
W. S. GRANT.

### STATE OF THE CHURCH

We cannot speak of the state of the Church in these terrible and tumultuous times without keeping ever in mind the condition of the country. The Church is not responsible for the broken heart of the world, but does have a distinct mission in binding up its wounds. She has sent her sons to fight for freedom and her daughters to minister to the suffering and dying. She has urged her communicants to support the liberty loans, the Red Cross, the Y. M. C. A. and other patriotic organizations.

### THE CHURCH IN THE NEW DAY

The Church finds herself confronted with new duties and added responsibilities. Will she be able to meet these new conditions? If so, what is necessary? First of all, the cross must not be permitted to become a shibboleth. It must glow and shine till it becomes a sacrament, the mightiest force in our civilization. It is not necessary to change the names but it is certainly incumbent upon the Church to enlarge the content of our doctrines of the new birth, and the saving, sanctifying, and witnessing power of the Holy Spirit. They have all the old meaning they ever possessed but they must be given a new emphasis in this new day. The doors of the world are open to the Gospel. Bishop McDowell spoke as a prophet of God when he said:

"We never had a better chance. We never had a larger call. Who shall redeem and restore Germany, France, England, Russia, and America, if not those who speak for Christ and speak of Christ with modern Christian imperialism and vitality? Who shall lead China, Japan, India, Turkey and Africa unto the light and into the light but

those who bear the light? Who shall recover and create for the world 'the lost consciousness of its essential unity and universality in Christ'? Who shall furnish light and inspiration, leaven and grace, hope and faith, the vision of brotherhood and love, to a broken world, except the church of Jesus Christ? The apostolic church had no larger opportunity in the Jewish world or the Roman world of its day. The war makes a thousand new opportunities—for commerce, for philanthropy, for education, for legislation, but its opportunity for the Church of Christ outranks them all!"

### THERE WILL BE A DRY WORLD

The war is helping to hasten the day of a dry world. Prohibition of the liquor traffic goes marching on. The Church leads the way in this reform. When national officials were asking the Church to co-operate with the country in conserving food, it was a bishop of the Methodist Episcopal Church, William A. Quayle, who sent the slogan to Washington: "Let the Government co-operate with the Church in closing the saloons." It has been done.

### THE MISSIONARY CENTENARY

Our Methodism is asking for eighty million dollars to help rebuild and save the world. It is a task to challenge our best efforts. We place ourselves in harmony with the plan and face our responsibility. It will require toil and struggle, coupled with sacrificial giving. Let us gird ourselves for battle, remembering that it is to be a soul saving campaign as well as a money raising enterprise. For the Centenary plan is well stated in the committee's recommendation from which we quote:

"We urge that the final triumph of this imperial program depends upon a new birth within the church, of New Testament teaching, as to the stewardship of life, and prayer, and possessions. The first need of the hour is not money, but the consecration that lays money on the altar. The church stands face to face with the challenge of a great opportunity and an unprecedented responsibility. Every material, educational and evangelistic force of Methodism must be made available as never before for the work of the enlarging Kingdom; and to these must be added the resources of an omnipotent God whose love and might make all things possible."

J. M. MELEAR.

### CONFERENCE CLAIMANTS

We hail with delight this glad day which has arrived in the history of our Conference when we can declare that we have really accomplished the beginning of a permanent Endowment Fund for the Retired Ministers, the widows, and the orphans of Holston territory.

At the last session of the Conference when a field agent was appointed to raise this money, it was the opinion of nearly all the ministers that it would take from two to three years to accomplish the task.

One year has gone by, and it is done. All glory to God for this wonderful achievement. Not more than half of the geographical area of the Holston Conference has been canvassed this year by the field agent, Dr. B. M. Martin, because of lack of time. Therefore while we rejoice over the victory won this year in the raising of this endowment, we also recommend that in all fairness to the remainder of the Conference which is waiting to help, that this movement be carried forward, and that our endowment goal be \$100,000, and that we work to that end.

We desire to express our deepest and profoundest gratitude,

#### FIRST,

To Dr. B. M. Martin for the heroic work he has done, the untiring efforts he has put forth, and the spirit he has manifested throughout the year in pushing forward this work. Not satisfied merely to reach the goal, but going clear over the top, reports a sum in round numbers of \$55,000.

May his energy be multiplied among us until many more of us in this Conference shall catch his spirit.

#### SECOND,

To our beloved Bishop, Frank M. Bristol, for the interest he has manifested, and the service he has rendered in this great movement.

#### THIRD,

To Mrs. J. A. Patten for the generous gift of \$11,000 given in honor of her sainted father, Dr. J. J. Manker, and also to every one who in any way has contributed to make this permanent endowment fund possible.

If in years to come one home shall be made happier, one heart shall be less burdened, one care shall be lifted, we shall feel that the time given and sacrifices made, shall be for Him who said, "Inasmuch as ye have done it unto one of the least of these, my brethren, ye have done it unto me."

W. L. OLIVER,  
G. S. BALES,  
M. C. BRUNER.

### CHURCH LITERATURE

The Methodist Book Concern maintains its reputation as the house of good literature. In the quality and quantity of production it is unexcelled and we earnestly advise our people to patronize it.

We are pleased to quote from the report of the Book Committee which says:

"The large place of our Christian Advocates in the connectional economy of our Church is becoming more and more apparent. As an assistant to the pastor in creating religious interest, and as an agent of publicity for great denominational movements, their possibilities for usefulness are only beginning to be realized. We register our conviction that the pastor who is faithful in the circulation of his Advocate is adopting a sure method of extending the influence of his ministry and increasing the power of the Church."

RESOLVED, That we express anew our appreciation of the able and satisfactory manner in which the Methodist Advocate-Journal is being edited and managed by Dr. J. M. Melear and that we again pledge our loyal support to this our home church paper realizing that in it each member of our Conference has a faithful ally in every battle we wage for the advancement of the Kingdom.

O. R. TARWATER.

### FREEDMEN'S AID

The work of this society has been carried on for over fifty years. The General Conference authorized and directed each pastor to observe the Lincoln Day Anniversary in February. Discipline of 1916, Par. 455, Page 302.

As a result of the work of the society we have 350,000 colored members, 3,500 churches and over 2,000 ministers. Our schools supply these with pastors and intelligent Christian leaders. For this purpose the 21 schools of the Freedmen's Aid Society with their 334 teachers and 5,864 students must be maintained.

A War Call—On account of the increased cost of FOOD SUPPLIES, FUEL and everything that goes into the expenses of the schools, the Freedmen's Aid Society needs at least a 50 per cent. increase over last year in its collections.

Its students and graduates are drilling in the cantonments, and many are "doing their bit" "somewhere in France." Back of the cantonments are the schools, where others are being prepared to take the places of those who fall "in the trenches." Help the schools, and help them NOW, when their NEED IS GREATEST.

They are making America safe for democracy, by providing a Christian leadership for ten million American citizens and patriots of the Negro race. The presidents and teachers in these schools are doing a noble and heroic service. Give them a lift. Encourage them. Their work is vital to the future welfare of the nation.

We recommend, therefore, that each pastor observe Lincoln Day and that in addition to raising the full apportionment for the work of the society, an effort be made to secure a 50 per cent. increase, to cover the additional expense on account of war prices.

We further recommend that the program and literature prepared by the society be distributed in our Sunday Schools and public congregations.

gations. This literature can be secured without cost by sending to the office of the society at 420 Plum Street, Cincinnati, Ohio, a postal card request.

C. V. BELLAMY,  
N. K. ROWE,  
C. L. KIRBY.

### CENTENARY MOVEMENT

WHEREAS, The World War summons the Church to unusual devotion and activity in preparation for the days of reconstruction following the coming of peace, in order to make the world safe for democracy that democracy can be safe for the world; and,

WHEREAS, The General Conference directed that the years 1918 and 1919 be set aside for the observance of the celebration of the Centenary of the founding of our missionary work; and,

WHEREAS, The Centenary is thus providentially timed to coincide with the great World War; and,

WHEREAS, Under the order of the General Conference, a World Program has been adopted which provides for placing our work at home and abroad upon a basis of higher efficiency in order that the Methodist Episcopal Church may do its full share in bringing in the Kingdom of Jesus Christ, therefore be it

RESOLVED, first, That this Annual Conference strongly endorses the Centenary Movement and pledges its full co-operation.

Second, That a Conference Centenary Council be and hereby is created, this council to consist of the District Superintendents, and one pastor, and one or more laymen from each district.

Third, That the District Superintendents be requested to take immediate steps to organize the district, sub-district and local church councils, in accordance with the action of the District Superintendents at the Columbus Meeting.

Fourth, That the Centenary Allotments (\$103,902.00 Annual Allotment), as handed down to the Districts, be at once heartily accepted by the Districts, and if possible, that they be over-subscribed.

Fifth, That all necessary arrangements be made by District Superintendents, pastors and the laity of the Church for the intensive period of ten days with which the campaign is to culminate, and that a day be designated by the National Campaign Committee and set aside in all our churches, this day to be known as World Program Sunday. We, therefore, recommend that on this day our pastors and people everywhere give themselves to prayer and to earnest consideration of the facts involved in building the World Program of American Methodism.

Sixth, We especially commend the plans being made by the Joint Centenary Committee for deepening the spiritual life of the church and for enrolling its members in Christian stewardship, and we join in the prayer that this great Centenary Movement may result in an evangelistic awakening throughout the world.

W. F. SMITH,  
J. J. ROBINETTE,  
A. C. GODDARD,  
G. T. BYRD.

### HOME MISSIONS AND CHURCH EXTENSION

The Committee of Conference Home Missions and Church Extension reports as follows:

**Bristol District**—New work should be organized in Buchanan and Dickenson counties, Virginia; also a church at Pulaski City and Kona Rock. Church buildings are needed at White Top, Radford, Saltville, Bristol Circuit, and Pennington Circuit.

**Chattanooga District**—New work ought to be organized at Tateville and Mt. Olivet. Two church buildings are needed, one at Tracy City, one at Whitwell, where we have a good parsonage. \$1,000 is needed to start and help these points.

**Harriman District**—Two new churches should be organized, one at Vasper and one at Block. New church buildings are needed at Jellico and at Rocky Springs. There is a good field ready for work between Westburn and Block.

**Knoxville District**—New fields which should be worked are Alcoa, Vose, Babcocks' Lumbertown and Marble City, West Knoxville. New Church buildings are needed at Louisville, West View, Allenwick and New Salem. Financing: \$15,000 can be used to great advantage.

**Johnson City District**—New churches to be erected: one at Kingsport, one at Bloomingdale at Roan Mountain, and two in the Union Circuit. New territory near Irwin and in Cooke county.

RESOLVED, That the Conference Board of Home Missions and Church Extension be asked to enquire into the special needs of each of these interests.

COMMITTEE.

First mortgage notes .....	\$7,800.00	
Cash for investment, on hand .....	1,178.41	
Principal of fund .....	\$8,978.41	

The above \$7,800 of mortgage notes are by approved and solvent individuals; are secured by first mortgage deeds of trust upon improved real estate in Chattanooga; all bear 6 per cent. interest per annum, payable semi-annually; are less than 50 per cent. of the appraised value of the real estate and are further protected by \$9,700 of fire insurance upon the improvements.

The above amount of \$1,470 of donation notes are for subscriptions made direct to the Advocate-Journal. During the year two of these notes, A. J. Gahagan \$250, and Patten Estate \$900, were paid off, and this money is now earning 6 per cent. interest and will be placed in first mortgage notes.

The interest on \$600 of the subscription notes is being paid promptly, but on the \$870 they are not paying the interest. The treasurer has made all reasonable efforts to collect the interest.

Respectfully submitted,

J. A. GRIGSBY, Chairman,  
J. M. MELEAR, Secretary,  
HERMAN FERGER, Treasurer.

(Signed)

October 23, 1918.
